READING
SUPPLEMENT I

U. S. DEPARTMENT OF HEALTH, EDUCATION AND WELFARE
Office of Education
This document has been reproduced exactly as received from the person or organization originating it. Points of view or opinions stated do not necessarily represent official Office of Education position or policy.

This Bibliography covers materials indexed during the period
December 1965 - July 1966

The Clearinghouse is operated by the Harvard Graduate School of Education Library as a service organization for the programs and projects of the Center for Research and Development on Educational Differences. These bibliographies are made available to the public in the interest of sharing the results of our service efforts with other interested persons.

Non-R & D Center personnel should REQUEST COPIES OF DOCUMENTS CITED DIRECTLY FROM THE SOURCE, or from their local library. In those few cases where copies are not available, copies will be sold by the Clearinghouse at a charge of 10¢ per page to cover the photoduplication, plus a charge of $1.50 per order for processing.
